Mr. G. A. Stillson, a merchant of Tampico, Ill., writes, August 10th, 1891. "Foley's Kidney Cure is meeting with wonderful success. It has cured some cases here that physicians pronounced incurable. I myself am able to testify to its merits. My face to-day is a living picture of health. and Foley's Kidney Cure has made t such. I had suffered twenty-seven years with the disease, and to-day I feel ten years younger than I did one year ago. I can obtain some wonderful certificates of its medical qualities." C. F. James P. Ragan transacted legal business in Tiffin yesterday.

Chas. J. Gessner, of Deflance, was buried at that place on Sunday last. The Deliance News says:

"Charles J. tressner was born in Na poleon on Feb. 20, 1874, and was but twenty-three years of age. His life has been spent in Defiance. A young man of rare musical talents, he early developed a genius in that line, and is best known perhaps as his father's assistant in the orchestra. A graduate of the Defiance college, he was a young gentleman of unassuming manner but worthy in every way of respect and admiration. A model young man morally, with warm personal friends."
